

Using the Fun Forest Lodge - Things you should know

- 2.4 km from nearest electricity pole along a gravel woods road
- Lights are provided by SOLAR POWER with a back up generator. Please use energy wisely.
- Running water is available most of the year.
- Indoor and outdoor toilets available most of the year.
- There are no showers available.
- Hot Water is not provided.
- There is no phone, you must bring a cell phone for communications.
- There is a propane stove and a propane refrigerator.
- Fire wood is provided for use in the wood stove only. Paper & matches MAY be available to start the wood stove, but you should come prepared just in case. We do not supply kindling or wood for campfires.
- We provide winter plowing when necessary and possible, The plowing is by volunteers they will do the paying job first.
- A pre-camp inspection sheet will be given to you when you rent the cabin, and a post-camp inspection will be completed after your departure. Renters are responsible for missing/broken items.
- KEYS AND PAYMENT ARE DUE WHEN YOU LEAVE OUR FACILITY. YOU WILL BE CHARGED FOR ANY KEYS NOT RETURNED!

Basic Scouting Principles - BE PREPARED

Leave behind no trace of your stay.

Leave an area better than you found it.

Please remember, this is a cabin in the woods, NOT a hotel!
